Dear John and Mary:

Thank you for your faithful, ongoing support. Your gifts to the Emerald City Home for Wayward Witches throughout 2019 are gratefully acknowledged. What a huge heart you have!

Through your generosity our agency was able to provide transitional housing, therapeutic and vocational counseling to wayward witches over 21. Last year, because of you, 48 formerly wicked witches achieved stability through anger management and job skills training conducive to harmonious living among various genders, species, and wing spans.

Our records indicate that your 2019 contributions totaled \$360; an itemized statement is attached for your convenience in filing federal taxes. Unless indicated on the statement, no goods or services were received in exchange for your donations. If you have any concerns about the accuracy of this information, please contact us at 555-555-1313.

Again, we appreciate your support of our agency and our clients. Even the green ones.

In gratitude,

Dorothy Gale, LCSW
Executive Director
